

The **Old Church Artfest** is held annually the first weekend of June. The Old Church, church plaza, and a large tent are filled with artists and crafters. The work is original in concept and executed by the artist. Paintings, sculpture, pottery, gourds, fabric, weaving, metal work, and jewelry are a few of the varied media offered in this juried show. Music and a food vendor add to the festive atmosphere. Call Bev 505-301-0042 for more information. There is no admission charge and the public is welcome. Net proceeds of the show support the preservation and maintenance of the Old Church and support the programs of the Historical Society. *There is a map and directions link from the Home page.*
